

Use the Knaster inheritance procedure to allocate these objects:

| Object | Bob | Carol | Ted | Alice |
|--------|----------|----------|----------|----------|
| House | \$80,000 | \$75,000 | \$90,000 | \$60,000 |
| Boat | \$10,000 | \$12,000 | \$14,000 | \$16,000 |
